

Day Membership

Like all sporting/social clubs, there are fees associated with regular usage of that facility and enjoying the services it provides. At CSMBC we make it easy and affordable for potential new members to try out sailing/Power Boat activities and our facilities without having to immediately subscribe to annual membership.

The Club provides a 'Day Pass Membership' at a minimal cost. This enables you to sail or participate in Power Boat activities at the Club and to then use the clubhouse facilities. The 'Day Pass Membership' allows you to do this up to 3 times before you need to subscribe to an annual membership. What's even better, any money you spend on the Day Pass Membership will reduce your fee when you do switch over to annual membership.

The benefits of Day Pass Membership

- Facility access (showers, toilets, off beach lounge/kitchen area etc.)
- Engage in club activities on the day
- Yachting Australia Personal Accident Insurance for the day
- YA number for the day (necessary for all who race)
- Liquor licence compliance – the Day Pass card is accepted as the 'sign in' to the bar
- Members prices in the bar
- You comply with CSMBC Club Policy

Risk Management – Insurance

The Carrum Sailing and Motor Boat General Committee had resolved to audit crews on racing yachts from time to time. Crew on racing yachts must comply with the Racing Rules of Sailing (e.g. Rule 56) or the yacht may be disqualified from the event.

The Yachting Australian Racing Rules of Sailing 2013-16

The Yachting Australia Racing Rules of Sailing 2013 – 2016 booklet includes a section (part 4) designated to 'other requirements when racing'. Two of those requirements are pertinent to day membership, and they are:

Personal Accident Insurance (extract) – provides nominated benefits to the insured person in the event of an injury whilst participating in their sport. The prime benefits provided under such policies are for Death, Permanent Total or Loss of Income benefits but do not include the gap between any Medicare or Private Health Insurance rebate and the actual expenses incurred – any expense which is claimable against Medicare or any Private Health Insurance Fund.
